## WOMEN'S ISSUES - HB 462

### **TELL THE GOVERNOR TO VETO HB462!**

Gov. McDonnell has until this **Friday to sign or veto [HB 462](#), the now infamous bill mandating a woman to undergo and pay for an ultrasound before she can access abortion care** - even if she refuses and even if her doctor doesn't recommend an ultrasound!

The bill is now on the governor's desk and he needs to hear that this legislation is an unnecessary intrusion into women's lives along with being unacceptable and disrespectful to women.

The Governor needs to hear that Virginians (women and men) **overwhelmingly oppose this intrusion**, as they attempted to tell him in Richmond on March 3rd before being shut down and arrested by Capitol Police and Virginia State Troopers!

**[Please contact Gov. McDonnell](#) and tell him to VETO THIS BILL!**
