Issue #17-08

Register for the Convention Using SignUpGenius

Attention Virginia Leaguers about to register for our Convention in June:

Please make every effort to register using SignUpGenius. It will save our treasurer a lot of time and effort. It really is not difficult. If you don't already have a password, the one thing that may give you pause is creating a password. Just follow the prompts.

If you already created one to sign up to attend our WLRTs in February, you can use the same password. Just choose "already a member" or something similar and sign in. In fact you can do this with any future use of SignUpGenius.

You do have an option of downloading the form, printing it out, writing a check, and mailing it to the address given, but think how much easier SUG would be. (BTW, Local Leagues might consider using SUG to collect dues.)

Thank you for giving this a try.
