

A QUICK GUIDE TO DISABILITY VOTING RIGHTS

YOU CAN VOTE!

Anyone can vote regardless of their disability (temporary, visible or invisible). If you are registered, and voting in your correct precinct, **YOU CAN VOTE.**

REGISTER ONLINE

Go to elections.virginia.gov to register or verify voter registration. Or call your city/county registration office and receive help over the phone. At the same time, check your polling location; it may change. Make any corrections as necessary to your registration.

When registering, you can select the option that you will have assistance. See below.

REQUEST FOR ASSISTANCE

Any person that you choose can help you while voting -- family member, friend, child, noncitizen -- but not your supervisor or a union member. Simply complete the Request for Assistance form when you vote at your polling station, or complete it beforehand at elections.virginia.gov.

CURBSIDE VOTING

When voting on Election Day or in-person absentee, you can opt to vote
